RIVER SYMPOSIUM

EXCELLENCE – COLLABORATION – INTEGRATION

Invitation

On behalf of the International RiverFoundation and the Riversymposium Planning Committee, I invite you to participate in the 20th International Riversymposium, being held from 18–20 September 2017 in Brisbane, Australia.

This year, the International Riversymposium comes back to the river city of Brisbane, Australia, after a successful New Delhi event in 2016. We look forward to welcoming back those who have supported the event in the past, as well as those new supporters who recognise the importance and urgency of holding such a critical event in today's water-challenged world.

A decade on from the hugely successful 10th International Riversymposium and Environmental Flows Conference, International RiverFoundation is inviting water experts to Brisbane to reignite this conversation, with a focus on exploring the progress made, and challenges faced, since the release of the 2007 Brisbane Declaration and Global Action Agenda. The 20th International Riversymposium is an opportunity for those involved in all aspects of sustainable river basin management globally to share their knowledge, learn from others and collaborate – all while enjoying Australia's most stunning river city.

Sponsoring the 20th International Riversymposium offers your organisation:

- Access to hundreds of influential and engaged delegates, representing all sectors involved in water and river basin management
- Local, regional and international exposure throughout the entire life of the event
- Connections to respected leaders and influencers, including world-renowned keynote speakers
- The chance to share your latest ideas, innovations and opportunities
- Involvement in program design and content

To ensure you can find a package which works best for you and your goals, this prospectus includes a number of ready-made sponsorship packages as well as a list of specific sponsorship opportunities—from which you can select one, or many.

We look forward to welcoming you to Brisbane in 2017.

CEO, International RiverFoundation

WHY SPONSOR

Sponsoring the International Riversymposium presents an opportunity for all stakeholders with an interest in rivers to highlight their commitment and support to this unique sector.

In 2007, the International Riversymposium and Environmental Flows Management Conference attracted 725 delegates, the highest number of attendees at any symposium since its inception in 1999. This year, we hope to exceed that number.

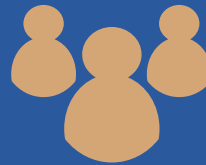

The Riversymposium was last held in Brisbane in 2015, where the total number of delegates was 622. Trends over the past few years have shown that approximately one-third of delegates are international, hailing from 56 countries. Over 50% of those who attend are key decision-makers representing all sectors of water and river management, environment, industry and government. River and waterway restoration, health and management depend on the combined engagement of institutions, community, science and business – all of which are well represented at Riversymposium.

Sponsorship packages have been developed to maximise exposure and activities for all sponsors.

All packages include:

- promotional and branding opportunities;
- corporate networking; and
- marketing opportunities.

Sponsor Agreements

Once your preferred sponsorship package has been negotiated, the International RiverFoundation will prepare a sponsor agreement for your signature.

Sponsorship Cancellation Policy

Sponsorship cancellations must be made in writing. Please note that the detailed cancellation policy will be outlined in the Terms & Conditions included with the sponsor agreement.

Disclaimer

The entitlements listed in this document are offered on the basis that confirmation of a sponsor's involvement is received prior to any deadline specified by the International RiverFoundation, i.e. to meet timelines for the production of printed material.

The International RiverFoundation reserves the right to amend these packages subject to changes in the program format.

Responsibilities of Sponsors

It is the responsibility of sponsors to provide the materials listed in the sponsor package, once the commitment has been made.

Those companies which get the most out of their sponsorships are those who actively promote their presence at the symposium and provide logos, text and any other materials in a timely manner to the organisers.
